

# **EASY HORSE CARE RESCUE CENTRE PONY CLUB NEWSLETTER**

## **HELLO EVERYBODY!**

Welcome to the November Pony Club Newsletter.

We have had a very busy month at the centre with lots of events happening and more horses and ponies arriving 6 (!) in the last few weeks means that we have been kept extremely busy.

## **Goodbye Chance**

We are very sad to have to say that Chance our Pony Club mascot has died suddenly from pneumonia.

We all loved Chance very much; she was a friend to all of us here at the centre and joined in our Pony Club every Saturday and Sunday. Patiently standing without a head collar whilst everyone pointed out her "points" (withers, knee, hock etc ) and practised grooming her without her EVER complaining. She was a one in a million!

She could break into a cool bag and empty the contents in under 3 minutes.....we will all miss her very much. But we have to remember that Chance spent her last years a very happy horse here with all of us and her horsey family here at the centre.

## **Halloween success**

Thank you to all our Pony Club members for helping to make our Halloween Party a big success and lots of fun. It was great to see so many of you making such a big effort with the fancy dress theme and in bringing along such scary snacks for our party feast.

Well done to those of you who happily stood there and got mummified in all that loo roll!

## **Coming up ....what a busy weekend!!!**

### **T.V Stars!**

On Saturday 13<sup>th</sup> November SOL TV will be spending the day filming at the centre. They will be filming what a day at centre involves. Starting with breakfast for the horses, a visit and demonstration from Adam the horse whisperer and then joining us for Pony Club.

Please remember to wear your Pony Club T-shirts (brushing your hair is optional!) .

If you normally come to the Sunday Pony Club and fancy a bit of TV fame why not come along to the Saturday Pony Club, same time 1pm to 4pm.

### **Horse Whisperer**

As mentioned. We have a demonstration of " horse whispering" by Adam Shereston on Saturday 13<sup>th</sup> November from 11am to 4pm. As members you are welcome to come along and watch the very interesting demonstrations from Adam as he works with our rescue horses and ponies.

### **Miniature horse show**

Our 2<sup>nd</sup> Miniature horse show is taking place on Sunday 14<sup>th</sup> November, it will be a chance for us to show just how hard we have been working and training our very own miniature horses.....Trixie Belle, Taffeta and Magic. The horses are very excited to be entering this

competition and hope they can do us proud.

Good luck to the Pony Clubbers who will be entering them in this very exciting show.

We are sure all the effort you have put into the Mini's training will be rewarded.

Normal Pony Club activities will continue for those not entering the competition, including a little bit of cheering on for our Mini's!!

Pony Club t-shirts for our members who are taking part in the show please.

### **Fund raising at Iceland**

We have had a very kind offer from the Iceland store in Torrevieja to go along one Saturday and raise some very much needed funds in the store by bag packing for their customers. Hopefully their customers will show their appreciation by giving a generous donation.

We are looking for bag packing volunteers and parents who could offer a few hours of their time to help with this hopefully at the end of this month and / or again in December.

Please let us know if you think you can help with this fund raiser. As you are aware as a charity we are totally reliant on donations and help from the public so that we can continue our much needed work rescuing and caring for horses and ponies.

Do you have any fun ideas for fund raising?

### **Pony Clubber of the month**

Well done this month to Molly Fox.

Molly comes along to the Pony Club every Saturday, not only is she one of hardest working members who helps lead the horses for some of our less experienced riders, she is always willing to help with some extra stable cleaning. Molly is also the first to offer help when we are asked to go on the road with our miniature horses to the charity events that help to raise funds for the rescue centre. Well done Molly!

*See you at the weekend!*

*Sarah & Rachel*
