

## Easy Horse Care Pony Club Newsletter September 2010

Hello everybody, welcome to the 1<sup>st</sup> Easy Horse Care Rescue Centre newsletter for our Pony Club Members. We aim to produce a newsletter every month bringing you news and information about our club and the rescue centre.

It's great to see so many regular faces back after the long hot summer holidays and we would like to give a warm welcome to our new members.

We have so many exciting things happening at the pony club to tell you about we thought it would be better if we put them down in a newsletter as you all know what our memories are like!!!

BUT firstly we have to congratulate Sue and Rod and on the great achievement in winning the Special Recognition Award at the Pride of Spain awards 2010.

### Pony club tests

We all know that riding is good fun, fantastic exercise and a great way make new friends (and horsey friends) and we feel that all the hard work you have been putting in learning all about horse care and the effort you are making with your riding lessons deserves some recognition and also it will enable you and your families to see how far you are progressing.

If you are thinking of owning your own pony or considering a career with horses they will be an invaluable help in gaining the knowledge and experience you will need.

Our pony club tests will enable you to learn progressively about horse care and riding whilst still enjoying all the fun we have on pony club days.

We will be sending out a separate information sheet on the tests shortly with full details. This is very exciting for us as and we hope lots of you will participate.

### Looking ahead

Please look at our website for a full list of forthcoming events [www.easyhorsecare.net](http://www.easyhorsecare.net). For our pony club members the following dates need to be noted.
